BUT HOW  
DOES IT  
REALLY  
WORK?

LIVE STREAMING AND STANDARD VIDEO  
CONTENT CAN BE CREATED WITH:

When you do a video recording  
at Home on the taut, evenly lit,  
Green Screen Queen's product  
range - you can simply *Key Out* the  
specific Pantone Green and replace  
the background image with one of  
your Personal Brand choices.  
*Yes, we do Workshops!*

*As technology evolves  
it will get easier & easier ...*

The GSQ results are exceptional  
and the images are sharp and clear.
